

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_44864
Title of the Manuscript:	Comparative study of 50% Trichloroacetic acid solution versus 10% Potassium hydroxide solution in the treatment of plane warts
New Title:	Efficacy Comparison of 50% Trichloroacetic acid solution versus 10% Potassium hydroxide solution in the treatment of plane warts
Type of Article:	Original article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Most of the required corrections have been done. It is suggested that the new tables and bar graphs added should be titled properly and they should be mentioned in the result section accordingly.
