Academic Editor's Decision

Manuscript number : 2017/AJAEES/35492

Journal Name: Asian Journal of Agricultural Extension, Economics & Sociology

Manuscript Title: CONSTRAINTS FACED BY THE FARMERS AND THEIR REMEDIES IN TECHNOLOGICAL ADOPTION OF POTATO PRODUCTION IN FARRUKHBAD DISTRICT (UTTAR PRADESH)

Type of Article: Original Research Article

Taking into consideration all reviewers' recommendations, the authors' feedback which is not sufficiently developed and doesn't include all necessary definitions, the peer review information and the revised manuscript, it is not apparent that the revised manuscript meets the requirements to be published as an Original Research Article. Thus, I suggest not to be accepted for publication in Asian Journal of Agricultural Extension, Economics & Sociology as an Original Research Article, while it could be accepted for publication as a Short Research Article if the authors agree.
