

Editor's Comment:

Manuscript Title: GOVERNMENT HEALTH INSURANCE SCHEMES FOR DIFFERENTLY ABLED – A SWOT ANALYSIS

Journal Name: Asian Journal of Medicine and Health

Type of Article: Policy Paper

My Decision:

The original text presented limitations on the technical aspects of SWOT ANALYSIS.

Reviewers pointed out lessons, which were satisfactorily corrected by the authors.

Given this context I suggest that the article is ACCEPTED.

Editor's Details:

Dr. Alexandre Sérgio Silva

Professor, Department of Physical Education, Federal University of Paraíba, Brasil
