

Editor's Comment:

I could not find FTIR confirmation of CO group.

By considering below references it can be acceptable for publication.

Polymer Engineering & Science 54 (1), 24-32, 2014.

Journal of applied polymer science 104 (1), 81-88, 2007.

Journal of applied polymer science 106 (1), 299-308, 2007.

Minor revision is needed before publication.
