

Editor's Comment:

My decision is "**to accept the article** for publication in the journal" (Asian Journal of Research in Infectious Diseases).

However please correct the following minor/small mistake(s):

In table 3 (Line 192); the prevalence among age-group (21-25) should be 6.0%; not 0.6%. See the file attached.

"Editorial Decision on the corrected copy of manuscript no: 2018/AJRID/42364"

I am officially sending you my final editorial decision for the article entitled "**PREVALENCE OF INTESTINAL PARASITIC INFECTIONS AMONG PATIENTS ATTENDING USMANU DANFODIYO UNIVERSITY TEACHING HOSPITAL, SOKOTO, NIGERIA**" (Manuscript number: 2018/AJRID/42364).

My decision is "**to accept the article** for publication in the journal" (Asian Journal of Research in Infectious Diseases).

However please correct the following minor/small mistake(s):

In table 3 (Line 192); the prevalence among age-group (21-25) should be 6.0%; not 0.6%. See the following table.

TABLE 3: Showing prevalence in relation to age distribution
