Title of the Manuscript:	Golden Camellias: A Review
Type of the Article	Minireview Paper

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Minor: lines 9 & 10, 66: take off 'the' in "the transplanted cancer"</p> <p>Minor: Figure 1: the flower is said to be yellow but appears quite reddish in the figure. Please correct.</p> <p>Minor: Line 73, take off the "." between "24]" and "While", and the coma after while...</p> <p>Minor: line 139: it is written "union"??? Does it mean "onion"?</p> <p>Minor: a general use of a coma after while. Please, avoid the coma...</p>	<p>Thank you for your valuable comments and revisions.</p> <p>Changes are made.</p> <p>"Flower of <i>C. megasepala</i> becomes more yellow after blooming" was added to Fig. 1.</p>
Optional/General comments	<p>The Golden Camellia paper is a review summarizing (1) the known pharmacological activities of those plants; (2) the seeding & seedling techniques and (3) a view on the future of camellia culture and use.</p> <p>It is overall well written and informative.</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
