General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<ol style="list-style-type: none"> 1. Please revise the dates of planting for example 10 and 25 January to January 10 and so on 2. Please be consistent with planting season and transplanting, I think refer to one term only 3. Line 26, can you please write the full term for FAO 4. Line 36 – plating spelling 5. Line 41- inbreed or inbred will be more appropriate 6. Line 45- facilitate, delete s 7. Line 115 – cm which check spelling 8. Line 116 – The results were consistent with other studies [10,11] where they observed significant observation or change the sentence --- instead of putting just the number 9. Please just proof read one time for really long sentences and any spelling error one more time 	All the correction has been made as per suggestion and highlighted yellow in the manuscript.
Optional/General comments
