

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Agricultural Extension, Economics & Sociology
Manuscript Number:	Ms_AJAEES_35492
Title of the Manuscript:	CONSTRAINTS FACED BY THE FARMERS AND THEIR REMEDIES IN TECHNOLOGICAL ADOPTION OF POTATO PRODUCTION IN FARRUKHBAD DISTRICT (UTTAR PRADESH)
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The introduction section The same sentences were repeated three times:</p> <p>In Indian agriculture, potato production has assumed a significant place because of it handsome contribution in the national agrarian economy. It accounts for nearly 2.2 per cent share of the total agriculture income of the country to the national income from only 0.6 per cent of potato cropped area. Potato is cultivated in 22 out of 35 states and union territories of the country. In India potato is cultivated in about 1.3 million hectare with the total production of 24.7 million tones. It is cultivated on a large scale in Uttar Pradesh, West Bengal, Bihar and Punjab. Uttar Pradesh alone produces nearly 41 per cent of total potato produced in the country. In India potato is cultivated in about 1.3 million hectare with the total production of 24.7 million tones. It is cultivated on a large scale in Uttar Pradesh, West Bengal, Bihar and Punjab. Uttar Pradesh alone produces nearly 41 per cent of total potato produced in the country.</p> <p>In India potato is cultivated in about 1.3 million hectare with the total production of 24.7 million tones. It is cultivated on a large scale in Uttar Pradesh, West Bengal, Bihar and Punjab. Uttar Pradesh alone produces nearly 41 per cent of total potato produced in the country.</p> <p>Still a lot of typos, grammatical mistakes throughout the paper.</p> <p>Need to rewrite the abstract to reflect that the objective of this study is to rank the constraints of using technology among farmers in India.</p> <p>Currently, it is hard to follow the writing style of this paper. The authors need to make it a priority to rewrite the abstract and introduction. Please also include previous research to support the objectives and findings of this research.</p> <p>It is unclear why this research is worth doing and important to be carried out. The authors need to convince the readers of the significance of this research.</p> <p>In its current form, the article needs more work in terms of:</p> <ol style="list-style-type: none"> 1. Writing style need to be free of typos, grammatical errors and formatting errors. 2. Need to include previous research to support the study's findings and objectives. <p>Abstract and introduction need to be clearly written to ensure the readers understand what this study is about.</p>	<p>NOTED</p>
