	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments	<p>Having gone through this paper, I want to say that the topic is very interesting and the author has done a good work but the following comments are necessary in order to enrich the paper.</p> <p>From the abstract, the author should add the problem being investigated, methods of data collection, summary and concluding remarks and remove items not necessary.</p> <p>The introduction is good, but much is not available on Training national and vocational women in the area under study</p> <p>4 previous studies were identified but gaps in knowledge inherent in each which could have provoked the study were ignored.</p> <p>The introduction lacks organisation, which ought to be the last paragraph.</p> <p>The study could appear better if the author could engage in depth interview</p> <p>It could also be a good idea if the author could include the historical background of the Colonized Manchuria</p> <p>Congratulations!</p>	<p>Thank you for the affirmation of my work. I have significantly revised the manuscript as suggested.</p> <p>Please see the abstract. I added some current & relevant references and modified as requested. Meanwhile, I also add more details about the historical background of the Colonized Manchuria. Please see the introduction.</p> <p>Thanks!</p>
Minor REVISION comments	<p>The reference format of this journal has not been properly followed. Therefore, the author needs to adjust where necessary.</p>	<p>I checked rule of this journal again and modified all of references.</p>
Optional/General comments	<p>The paper should be properly edited</p>	<p>Thanks. I tried to restructure and modify the paper as suggested.</p>
