

**Editor's Comment:**

Journal Name: [Asian Journal of Research in Infectious Diseases](#)

Manuscript Title: **Brief Epidemiological report on Chikungunya outbreak in Bihar, India in 2017: Implications for control**

Type of Article: **short research article.**

**Comments:**

Article well presented although authors haven't followed all reviewers comments and guidelines. However, the abstract shows only statistics about the epidemic and doesn't show the purpose and the interest of the present paper.

Authors should highlight the purpose and the headlines of the study that has been done in this paper in the abstract.

Suggestion: Acceptance after minor revision.
