

SDI Review Form 1.6

Journal Name:	International Blood Research & Reviews
Manuscript Number:	Ms_IBRR_47224
Title of the Manuscript:	Assessment of Protein C and Protein S in Pregnancy loss victims
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The study is about the assessment of Protein C and Protein S in Pregnancy loss victims. And it was found that protein C concentration for the pregnancy-loss subjects was significantly lower than that of the normal pregnancy.</p> <p>There is conflicting results in the literature. And some major revisions are needed.</p> <ol style="list-style-type: none"> 1) Can the authors make comment about the reason of why protein C deficiency is associated with the pregnancy losses? 2) Why protein S deficiency is not associated with pregnancy losses? 3) Is there any information about the protein S and C levels in normal pregnant women? 4) The conclusion part must be re-written. Please write only your findings! 5) Please write the shortcomings of the study before conclusion! 	The corrections has been effected in the work already
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
