

EDITORIAL COMMENT:

Upon review of the revised manuscript and the inputs of the reviewers, we can accept the paper as a short communication or a research note.

Also, I strongly require the authors to revise/rephrase the title to reflect the objective.

In Vitro Cercaricidal Activity of Fractions and Isolated Bioactive Compounds from the Root Bark of *Erythrophleum ivorense* (Fabaceae) against *Schistosoma haematobium* Infection (delete).

AUTHOR'S FEEDBACK:

The authors accept the decision of the editor to publish the paper as short communication.

The title has been modified to read "***In Vitro Cercaricidal Activity of Fractions and Isolated Compounds of *Erythrophleum ivorense* (Fabaceae) Root Bark against *Schistosoma haematobium****".
