

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Research Journal of Pure and Applied Chemistry
Manuscript Number:	Ms_IRJPAC_46543
Title of the Manuscript:	THEORETICAL BIO-SIGNIFICANCE EVALUATION OF QUINAZOLINE ANALOGUES
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Apparently, it seems authors have made a partial revision rather than a complete one. For example I do not see any changes made in Fig 5.	The figure has been readjusted as requested by the reviewer.
