

SDI Review Form 1.6

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_47007
Title of the Manuscript:	Impact of Artisanal Crude oil Refining Activities on Soil Microorganisms
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none"> ➤ Its interesting paper It will discover new idea in the field of bioremediation, But as such in this form it should not be accepted, need minor improvements and would be helpful and it should be accepted. ➤ Firstly, abstract need to rewrite so that I can clearly explicit. Improve language so that it can be easily understand by readers ➤ The authors have thoroughly examined and explained the study. However, it still needs to be revised to accommodate all required information for re-evaluation. ➤ The references are for the most part or entirely "old", in that they are mostly five or more years old. Please add few latest references ➤ Author should mentioned briefly the concluding remarks of the study. 	Thank you for your valuable comment. Authors have modified the manuscript as per your suggestion.
Minor REVISION comments	<ul style="list-style-type: none"> ➤ The use of English needs to be improved throughout the paper, both to ensure that the content can be understood by reviewers and readers, and to make the paper more professional and of archival journal quality. ➤ In body paragraphs it has many mistakes as I highlighted .Please go through it. 	
Optional/General comments
