Manuscript Number:	Ms_JEAI_46338
Title of the Manuscript:	ORGANIC FERTILIZATION AND HYDRIC REPOSITION IN THE INITIAL PRODUCTION OF <i>Passiflora edullis</i> . f. <i>flavicarpa</i> Deg.
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The entire work need to be reorganised and restructured by moving all the tables indicated in the materials and method to result. The materials and method was too cumbersome and need to rewritten and straight to the point of procedure .All highlights in red need to be removed, yellow to be added, green restructured and deep blue to be transferred to result. The command of English not encouraging.	The revision has been attended throughout the manuscript. English has been improved thoroughly
Minor REVISION comments	The corrections need to be effected before acceptance, otherwise it will affect the quality and reputation of the journal.	Done
Optional/General comments	The manuscript can be accepted after the corrections due to the enormous amount of scientific investigation and contribution to the knowledge of science. The author/authors were determined and up to the task of conducting a research.	Corrections effected

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
