SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Abstract Plz separate all numbers from their units. Did you mean alpha and beta chlorophyll?</p> <p>BODY remove square brackets add "harvest season or year" In this context.....break up sentence Plz separate all numbers from their units cofactorchange to "co-factor" Means followed by the same letter arechange to footnotes don't use upper letters for figures.... use figure 2b, 2c, 2d etc Means followed by the same letter are not ...change to footnotes Means followed by the same letter are not significantly change to footnotes</p> <p>Provide a recommendation</p> <p>Convert reference 10/12/13/16/27 to English</p>	<p>Ok Ok No, its chlorophyll a and b. We change <i>a</i> and <i>b</i> to a and b</p> <p>Ok Ok We change Ok Ok We think that figures A, B and C make it easier to understand the text, the use of figures a, b, and c may confuse the reader.</p> <p>We have checked several articles published by the Journal of Experimental Agriculture International and found that references in other languages are accepted, provided the language used is highlighted. However, as requested we approve the translation of references in different language by Google Translate. English terminology was used in in the figures for the titles of the x, y1 and y2 axes.</p>
Optional/General comments	Good and Technically sound article	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
