PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The research methodology should not be a subchapter.	I accepted Your suggestion - <i>The research methodology</i> is set up as an independent chapter. In addition, I have edited the article and made the following changes: - I have worked out the Summary and outlined the basic information about the research - I supplemented the Introduction and Conclusion - I have omitted the superfluous parts of the text - I have added tables containing survey results - I have only included the titles cited in the article in the Reference List.
<u>Optional/General</u> comments
