

SDI EDITORIAL COMMENTS FORM

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<ol style="list-style-type: none">1. References are too old.2. How did physicochemical parameters were measured. Author should provide reference for it.3. Also include reference for media used.4. Spelling mistakes.	<ol style="list-style-type: none">1. Thanks, where old references were used they are standard microbiology methods still being used today, while some as stated are revised methods. I included recent references.2. It was measured by employing the method used by Kiran GC, 2013.3. Noted.4. Noted. Thanks for all useful and necessary observations.
