This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<b>Please delete portion of methodology which is highlighted in red. and at one point in abstract It is written Dog instead goat kindly correct</b>	The portion highlighted red in the methodology have been removed from the manuscript.  The word "Dog" have been replaced with "goats and sheep" and highlighted yellow in the abstract.
<b><u>Minor</u></b> REVISION comments	Very few typing mistakes	We have reviewed the manuscript and detected some typing mistakes. The mistakes were amended and indicated in yellow colour of the text.
<b><u>Optional/General</u></b> comments	Very good well written well explained article	Thank you for your commendation and your productive input.

**PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<u>(If yes, Kindly please write down the ethical issues here in details)</u> Expertise in handling the animals and collection of samples have to be ascertained by the university through the management of the abattoirs where the animals are slaughtered.	We consider the approval given to us to conduct our research at the Gombe township abattoir as ethical approval. The university standard ensures the approval certification before commencement of the work.
