

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Advanced Research and Reports
Manuscript Number:	Ms_AJARR_47128
Title of the Manuscript:	ASSESSMENT OF RAINFALL SCENARIO IN DETERMINING FLOOD AT TERENGGANU WATERSHED MALAYSIA
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
As the authors have added the indicated missing information, provided more detailed insight on the methodology they applied and explained clearly the parts or the elements that were not reliant enough, their revised version of the study meets the necessary requirements to be published.	

Reviewer Details:
