PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The author presented a voluminous and fairly thoughtful work, which, nevertheless, leaves some questions. Thus, the author did not sufficiently describe the data collection procedure, and it is not clear how the results obtained by various methods fit together.	
Minor REVISION comments	He writes about his own field research, but says nothing about the questionnaire, so it is impossible to establish the validity of such material.	
Optional/General comments	In addition, the financial instruments used by the author are usually used in evaluating investment projects, and their other use is expansive and requires justification. Before clarifying these issues, publish the article early.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
