

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Pediatric Research
Manuscript Number:	Ms_AJPR_43651
Title of the Manuscript:	Complicated diabetes keto-acidosis in children: a report of two cases and literature review
New Title of the Manuscript:	Diabetes keto-acidosis in children: a report of two cases and literature review
Type of Article:	Case study

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The MS is practically identical to that of the previous revision phase. It was expected that the authors had restructured the MS discussing the limitations of the diagnostic work-up, treatment and outcome of the presented cases when compared to the international guidelines for DKA management.
