PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The standard of English language in the paper is too poor, therefore I advise that the author read the paper again and correct the typos and the grammatical errors. I have tried to edit the paper, as attached. There are two sections, numbered as section 9. This must be corrected. In the first part of section 9 on Collision Avoidance? This section is difficult to understand due to the English grammar. This needs to be corrected so that readers can understand it.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
