PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Topic of the paper is interesting and important from practical point of view.</p> <p>Authors should prepare the paper according to journal template.</p> <p>Authors should correct citations and references to literature n text. What more, they should prepare Literature list according to journal template. Current order of the list of publications is not prepared neither according to the alphabet nor according to the sequence of citations in the text.</p> <p>Table 1 is not a table because it has neither rows nor columns. It is a list of symbols and should be moved to the beginning or end of the article.</p> <p>Chapter 2 has only one subchapter – 2.1. It is not correct. Authors should choice between one of solutions – delete subchapter 2.1 or add more subchapters in the chapter 1. What more – Chapter 2 is very important for the paper. That is why I suggest to prepare wider description of methodology.</p> <p>Authors should add unit on Figure 4 close to the name of the axis "Profit" .</p>
