PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The authors need to revisit the abstract; The background, aim and method were vague. They should state the objectives of the study, sample size, method of analysis and duration of study. The conclusion was rather weak and should be backed up. Ethical approval: Ethical approval needs to be obtained for a study of sort.	
Minor REVISION comments		
Optional/General comments
