

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_44398
Title of the Manuscript:	Efficacy of Different Tillage and Weed Management Practices on Yield and Yield Attributing Characters of Winter Maize (<i>Zea Mays L.</i>) In Chitwan, Nepal
New Title of the Manuscript:	Efficacy of Different Tillage and Weed Management Practices on Phenology and yield of Winter Maize (<i>Zea mays L.</i>) In Chitwan, Nepal
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Although authors improved the discussion, it remains poorly discussed. Authors justified that references were lacking to discuss all the topics, but I understand that results without a robust discussion is not possible
