

SDI Review Form 1.6

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_46521
Title of the Manuscript:	Biometric Characteristics and Productivity of Potiguar Corn Cultivar in Different Row Spacing and Fertilizations
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link: (<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	A scientifically powerful and technically good study. The methodology was well mastered and the results well presented. However the articulation of the paper needs to be improved. The paper should be given to someone with a good command of the English language for him/her to proofread and correct all the language errors found in the paper.	
Minor REVISION comments	The most recent research works that fall in line with the subject matter of the study should be sought for and cited. This will give the study more relevance in this day and age.	
Optional/General comments	A good study that deserves to be published by JEAI.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
