PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Manuscript is not written properly although the result of study is worth publishing. Introduction section is weak, Aim of study is missing in introduction section. There are many careless typo errors in manuscript. Author should proof read it before submission. I have proof read the manuscript and corrected as much as possible (Using Track changes). Statements in discussion section is not supported by references. I recommend to accept the manuscript after addressing my all comments.	
Minor REVISION comments		
Optional/General comments		

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
