Compulsory REVISION comments		
Minor REVISION comments	<p>This paper investigates the signs of the relationship between growth and volatility in a new environment set by changes in assumptions of the Ramsey model to allow technological progress to become endogenous.</p> <p>It is a technical paper with good flow of writing. However I have some general comments:</p> <ol style="list-style-type: none"> 1. Label first section as Introduction 2. There is no literature section, please provide some literatures which are related to your work. 3. The paper has to send proofreading to eliminate some possible mistakes 4. The references are quite messy, the authors should take care of them,
