<b><u>Compulsory</u></b> REVISION comments	<p>This study is addressed the interesting area of CSR and Financial Performance with mediating effect of competitive advantage. However, the study is suggested to improve the introduction section, emphasising the connection among CSR, Competitive advantage and financial performance. Please refer comments given on the article.</p> <p>In order to measure competitive advantage, this study used 'Value added from internal operations divided by total assets. This is not a clear measurement item to identify the competitiveness in terms of cost reduction, attract customers leading to increased sales, and build a strong reputation. Hence, the study is strongly suggested to justify the measurement item of competitive advantage use in this study.</p> <p>Please refer the comments given on the article.</p>
