

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms JPRI 38810
Title of the Manuscript:	ANTICONVULSANT POTENTIAL OF DICHLOROMETHANE EXTRACT OF <i>Aspilia africana</i> LEAF IN MICE
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The abstract still remains a problem due to the bad English For more clarity I am suggesting to change the legends of the figures in the following way:</p> <p>Fig.1. Survival rate after PTZ induced convulsions at different doses of dichloromethane extract of <i>A.africana</i> leaf Fig.2. Survival rate after STC induced convulsions at different doses of dichloromethane extract of <i>A.africana</i> leaf Fig.3. Effects of dichloromethane extract of <i>A.africana</i> leaf on STC induced seizure onset Figures 4: Effects of dichloromethane extract of <i>A.africana</i> leaf on PTZ induced seizure onset</p>
