PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is a good study and to make it more useful for others, I think photographs of the various agents found in the cockroaches should be added to the paper. This will allow other health workers to identify the parasites when they dissect cockroaches	
Minor REVISION comments	Please use a spelling correction program on your computer to correct some spelling mistakes and also check the spelling of scientific names. Also all references or the dates should be in parentheses ().	
Optional/General comments		

PART 2:
