PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p>	<p>Abstract and Keywords:</p> <ol style="list-style-type: none"> 1. The research objective is unclear, the authors must state explicitly the research objective. 2. The authors must summarize the literature review methods. The keywords, the database, the literature analysis method. 3. The summary of the main finding is not present. <p>Introduction.</p> <ol style="list-style-type: none"> 4. The phenomena or research problem is not well identified. The authors must elaborate the main problem and support it with relevant and update reference from credible institution. The authors should elaborate the previous research finding related to the research topic. 5. Please identify the research gap based on the literature review. 6. The research objective is not present. 7. Please check the reference, the in-text citation used in the body of article is not presented in the reference list. <p>Ex: "However, the emergence and attainment of prominence of activities of civil society organisations in recent times have engendered a shift from the previous two-sector to a three-sector analysis (Edwards, 2004)."</p> <p>"Therefore, it is not a profit-making enterprise and its resources are used for public good and consumed mainly within the same society (James, 1983; UN, 2003)."</p> <p>"This sector is owned by private individuals and corporations and the aim is to distribute profits or whatever dividends accrued to the sector (Salamon et al., 2003)."</p> <p>"As evidently displayed in many countries, civil society organisations emerge to provide for the needs of marginalised and vulnerable people, particularly in societies where expenditure on public services has been cut by the governments (Shefner, 2007)."</p> <p>"They have also spread their service-provisioning dragnets to other areas of human endeavours such as gender relations, food security, health, education and many other developmental projects (Scholte 2004; Wodon & Ying, 2009)."</p> <p>"Even, before the enactment of faith-based legislation, churches especially in Europe and America were already at work helping and assisting people in many communities in the world (Cnaan & Boddie, 2002)."</p> <p>"Clarke & Jennings (2008:6) and United Nations Development Programme (2014) refer to FBOs as "any organisation which derives inspiration and guidance for its activities from the teachings and principles of the faith or from a particular interpretation or school of thought within the faith"."</p> <p>"Marshall (2007) argued that the growth in the number of religious followership in developing countries since 1950 has outgrown the population increase within the same period."</p> <p>"For instance, in sub-Saharan Africa, there has been an increase in the proportion of Christian population from 9% to 57%, while the population of adherents of Islam has equally increased from 14% to 29% since 1900 (Pew Forum, 2010)."</p> <p>"Reacting to the disparagement levelled against the contributions of faith-based organisations in the face of their active status in development, Goulet (1980:481) described development experts of the period as "one-eyed giants"."</p> <p>Methods:</p> <ol style="list-style-type: none"> 8. Please create a methods section to elaborate the literature review process. 9. Please elaborate the keywords used in the literature review. 10. Please elaborate the database used for the literature review. 	

SDI Review Form 1.6

	<p>11. Please elaborate the article selection mechanism and statistics. Results and Discussions: 12. The elaboration about FBO conceptualization already presented. 13. The authors already presented the discourse of faith and works development. 14. The authors already presented the FBO's and their development in Africa. 15. The authors should identify or develop conceptual model to answer the main problem of FBO in Africa. Conclusions: 16. Please identify the research limitation and future research. Reference: 17. Please use Mendeley or Zotero for creating the in-text citation and references. 18. Please check the author guideline for the reference style. 19. Please ensure the reference metadata is correct and complete. 20. I can't find this reference in the body of article. Ex: "Cameron, H., 2004. Typology of religious characteristics of social service and educational organisations and programs - A European Response. Nonprofit and Voluntary Sector Quarterly, 33(1), pp. 146-151." "Ferris E. 2005. Faith-based and secular humanitarian. International Review of the Red Cross. Vol. 87(858): 311-325." "Goulet, D. 2006. Development Ethics at Work: Explorations – 1969-2002, New York" "James, R (2011) Handle with Care: Engaging with faith-based organisations in development. Development in Practice. Vol. 21(1): 109 – 117" "Krentzman AR. 2013. Review of the application of positive psychology to substance use, addiction, and recovery research. Psychol Addict Behav. 27:151-65." "Morgan R. 2011. HIV/AIDS Prevention Policy Processes in Faith-Based Non-Governmental in Tanzania. UKn: University of Leed; 2011. PhD Thesis." "Nishimuko, N. 2009. The role of non-governmental and faith-based organisations in achieving Education for All: the case of Sierra Leone , Compare Vol. 39, No. 2, 281-295, Routledge – Taylor and Francis. " "Oladipo, J., 2000. The Role of the Church in Poverty Alleviation in Africa. Transformation, 17(4), pp. 146-152." "Waddell, G. and Burton, A. K. 2006. Is work good for your health and well-being?, The Stationery Office, London."</p>
