

Editor's Comment:

I have attached files herewith containing your required comments.

Editor's Decision: Acceptable after the following corrections.

Overall Comments:

A good innovative work. Overall presentation is good. Very few grammatical mistakes are observed. Only a few corrections needed. Sub heading numbers are needed to rearrange properly. References should be more enriched.

Specific Comments:

Title:

Title should be revised again. Is it "Mining the cocoa tree....." or "Mining in the cocoa farm....."?

Abstract:

It is mentioned here the image data. But no imaginary presentation observed in the whole manuscript.

Introduction:

Sub heading points are not arranged properly.

Materials and Methods:

Simple and good.

Results and Discussions:

Sub heading points are not arranged properly.

Images of the actual fields should be included here to represent how small scale mining effects cocoa farms and farmers.

Conclusion:

Conclusion need to be specific and concise. No discussion is needed here.

References:

Please follow only one format.

References are not so rich. Try to enrich it by adding some valuable articles or books.
