

Editor's Comment:

Serious mistakes in editing and proofreading. Text contains many typing mistakes. Professional proofreading is required.

E. g.

Row 29 exchange earnings, positive spillover effects and employment opportunities. However, the

Row 32 This is evidenced by Manufacturing Association of Nigeria (2016) that 30percent of the

Row 117 effectiveness of organizational objectives" (Amartunga & Baldry, 2003). Rosenzweig (2007)

....

The conclusions are quite brief, expand them.
