EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>Please find the <b>revised manuscript</b> having some suggestion.</p> <p>also the author may be replaced table 1 and table 2 by Figures to be more obvious</p>	<p>Thanks for your comments and suggestions. Please kindly accept the tables the way they are because they contain a lot of figures. If I use bar chart or pie chart there will be too many figures which will make it to be clumsy. Thanks for your understanding.</p>
