General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

Is that not

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	A major shortcoming in this article is that not a single in-text reference has been cited in the text. Such an omission is unacceptable. Ensure that all in-text references are included in your list of references. There are several editing and technical errors in this article. Secure the services of a language editor and a technical editor and ensure that the next submission is error-free.	All in-text citation have been inserted in the manuscript Language corrections have been done in the revised paper
<u>Minor</u> REVISION comments	None	
<u>Optional/General</u> comments	None
