SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The abstract is wrong, not concise and must be reduced to at least 250 words in one paragraph</p> <p>The introduction is too lengthy and needed to be reduced to at most 3 to 4 paragraphs</p> <p>The keywords needs to be reduced to at least 5 words</p> <p>The statistical analysis presentation is faulty and needed to be corrected cos the superscript and the data presented in the table are speaking contradictory language</p> <p>Their is no conclusion in the body of the work and this could make the work unpublishable</p>	<p>The abstract is not wrong and it conforms with the format given by the journal. The abstract has been reduced. It cannot be in one paragraph as the journal wants the abstract in sections (aim, materials and method, results and discussion) this is what the author has done. So the author followed the correct format as required by the journal.</p> <p>Keywords have been reduced to five words.</p> <p>Statistical analysis have been corrected.</p> <p>Conclusion has been added to the work.</p>
Minor REVISION comments	<p>The corrections within the body of the work need to effected</p>	<p>Corrections in the body of the work have been effected.</p>
Optional/General comments	<p>The work can be published if this key corrections are effected</p>	<p>Corrections have been made.</p>

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
