**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>1. Table and Graph of the manuscript should be provided as per the guideline of the Journal.</p> <p>2. Title and abstract part is already published, it may be changed as per authors own word, rather simply copy and paste from previous published one.</p> <p>3. References are not as per the Guideline</p> <p>4. Technical comments, Grammar and language may be improved.</p> <p>5. Justification for 'Ethical clearance' is not flattering.</p>	<p>I put the tables and charts according to the guidelines of the journal.</p> <p>I changed the heading. (ANALYSIS THE IMPROVEMENT OF THE QUALITY OF LIFE IN AYURVEDIC TREATMENT FOR THE WRIST FRACTURE)</p> <p>I put all the references according to the guidelines I did my best.</p> <p>This research is conducted in my Internship period at Bandaranayaks Memorial Ayurvedic Research Institute (BMARI). BMARI is a research institute so I didn't get the ethical clearance.</p>
