EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>I had gone through the details of the manuscript you had sent for my editorial decision. The manuscript requires moderate revision before it could be accepted for publication.</p> <p>The authors have revised the manuscript on the suggested lines of the reviewers. However, as I had gone through the revised manuscript certain shortfalls that needs attention was found. I had marked these directly on the annotated manuscript attached herewith. The manuscript is acceptable after making the suggested changes.</p>	<p>I have effected all suggested corrections where possible. However some had to be modified or re-written. References have also been included as suggested. I have also reacted to some suggestions. These are all reflected in the Revised Manuscript_Version 2.</p>
