PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Nice research work. Here are a few observations:</p> <ol style="list-style-type: none"> 1. Data from a well-structured questionnaire is not enough to base conclusions of a research like this. 2. An economic model will have to be incorporated to support the results from the questionnaires. 3. It would be great to formulate a literature review section that will incorporate some of the information in the introduction section, and more from previous research from related topics.
