PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Nice work about women empowerment. Here are a few observations:</p> <ol style="list-style-type: none"> 1. The paper does not show technicalities the extent to which the involvement in the WIA programs impact economic development. A bit more information can be provided in this regard. To aid this cause, a literature review section can be created to show and such information can be placed therein. 2. The empirical research in this manuscript can be enhanced and made more understandable to your readership. 3. This paper does not have any specific "call" for a certain audience. It is difficult to determine the field to which this research belongs. 	
Minor REVISION comments		
Optional/General comments
