PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	While I appreciate the care with which it was carried out, I have several limitations. Reference and writing may be improved. In a view of taxonomy, it may be systematically improved with additive data/information. It may be included for completeness. In PCA, its methodological interpretation may be rechecked and revised. Or the use of another tool may be needed.
