

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_47785
Title of the Manuscript:	Antibacterial Effects of Hydro-alcoholic Extract of Pennyroyal, Cinnamon and Rhubarb on Klebsiella Pneumoniae and Staphylococcus Aureus: an In-vitro Study
Type of Article:	Original article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>Discussion section This work should have focused only on the study of staphylococci and Klebsiella as the title suggests. You shouldn't mention out of the blue other pathogens. In general I find the study weak The conclusions are quite general and are not supported by strong results</p>
