

**SDI Review Form 1.6**

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">Microbiology Research Journal International</a>                                                                                      |
| Manuscript Number:       | Ms_MRJI_49340                                                                                                                                    |
| Title of the Manuscript: | DETERMINATION OF TOLERANCE POTENTIALS OF SOME BACTERIA SPECIES TO HEAVYMETAL ISOLATED FROM CONTAMINATED GOLD MINING SOIL IN ABARE, ZAMFARA STATE |
| Type of the Article      |                                                                                                                                                  |

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

|                                            | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | See the paper      |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      |                    |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    |                    |                                                                                                                                                                               |

**PART 2:**

|                                              | Reviewer's comment                                                    | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------------------|-----------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) |                                                                                                                                                                               |
