

**SDI Review Form 1.6**

Journal Name:	<a href="#">Microbiology Research Journal International</a>
Manuscript Number:	Ms_MRJI_49967
Title of the Manuscript:	Role of Aspergillus Galactomannan Antigen Test for the Screening of Invasive Aspergillosis in patients with Hematological Malignancies
Type of the Article	Original Research Article

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sd-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Is the antigen specific of aspergillus? What about Candida? Please, clarify Table 1: What is the meaning of the second number in brackets in the bacterial and fungal species rows at Table 1? Define groups at figure 1 Define the meaning of double figures in brackets at Table 5	
<b>Minor</b> REVISION comments	Abstract: Galactomannan (GM) abbreviation is defined. Abbreviations for others, such as PPV and NPV, are needed Final sentence at Results (in the abstract) (100% versus 80%), Versus to what? Check word separation at Tables 2, 3 and 4	
<b>Optional/General</b> comments	This is an interesting study with biomedical applications in the diagnosis at the Hospital Check English. Avoid very long sentences difficult to follow, such as the final paragraph in the introduction and other in patients and methods. Use punctuation instead of brackets.	

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
