

### **Editor's Comment:**

You can find in attached files my editorial decision (accepted after minor corrections) and the text with some corrections I put myself.

The manuscript can be published if the authors accept my corrections and answer to a question about a bibliographical reference.

Editorial decision for the manuscript 2019/AJRAVS/50522:

Title: "CONSUMERS' AWARENESS REGARDING THE EFFECT OF ANTIBIOTIC USED IN ANIMAL FEED ON HUMAN HEALTH"

Author: Matiul Islam

The manuscript has been seriously improved after reviewing, It can be accepted for publication in AJRAVS if the author accept the minor corrections I have put in red and highlighted in yellow directly on the text:

- minor corrections lines 38, 41, 53

- addition of call for figure 3 line 44

I did not find the reference 26 in the text: please, add it or delete it from the list of references.

Editorial decision: Manuscript accepted for publication in AJRAVS after acceptance of the corrections proposed, and correction of the bibliographical reference.
