

Editor's Comment:

The title of the revised manuscript is indicated as "Biochemical and histological Study on the Effects of Curcumin and/or Yellow bean on Rats Drinking Ethanol Alcohol" but in abstract and other areas for yellow bean indicated as DDB, which is correct, .in treatment groups , many places it is indicated as and/ or DDB, other than title no need to write like that, it can be mentioned as with or without DDB, It confuses the sentences in many places, After Making these corrections, article can be accepted for publication.
