

Editor's Comment:

The study is original and contributes to the scientific literature. The study includes an important issue. Authors have fulfilled reviewers' suggestions and made all corrections on the manuscript. Therefore, the article can publish in journal. But, authors should be read the manuscript again. English spelling errors on manuscript must be corrected. One such error is shown below.

Acknowledgment

The authors are thankful from all person or institutes who helped to do the present study. It should be written for instead of from.
