

Editor's Comment:

The article was written by the authors with great care. The referees emphasized the need to make very important and necessary corrections. The authors made the necessary corrections according to the referee comments. In light of the above, my editor's decision is to **accept** this article. Please find the report in attach. Yours truly

NOTE: My department has changed to **Mechanical Engineering**. Faculty and University are the same. I would appreciate it if you make the necessary corrections to the editorial board.
